

hs_class::hs_resample

```
graph LR; A[hs_class::hs_resample] --> B[diagonalize]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text 'hs_class::hs_resample'. The right box has a white fill and a black border, containing the text 'diagonalize'. A dark blue arrow points from the right side of the left box to the left side of the right box.
